

rtm::CoatingObject

```
classDiagram
    rtm::RoadCoating --|> rtm::CoatingObject
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'rtm::CoatingObject' with a gray background. Below it is a box labeled 'rtm::RoadCoating' with a white background. A blue arrow points from the 'rtm::RoadCoating' box up to the 'rtm::CoatingObject' box, indicating that 'rtm::RoadCoating' inherits from 'rtm::CoatingObject'.
